Preston Institute of Hotel Management & Catering Technology, developed infrastructure in accordance with the hospitality industry norms. We follow the norms prescribed by the National Council for Hotel Management and Catering Technology, Noida (An Autonomous Body under Ministry of Tourism, Govt. of India).

All training labs at our college are equipped with the best of equipment, furniture and fixtures to train our valuable students for the flourishing career in the hospitality industry. The labs are well equipped and designed to provide good and advanced training to students, making them efficient in the industry. This is further supported by our affiliated hotels that presents a unique opportunity for students to practice what they have learned in the classrooms.

One Training Restaurant and Bar, equipped to cater to national and international tastes, provide latest techniques of service at par with the industry. Training of buffets, banquets service, etc. are also provided in these labs.

Basic kitchen is fully equipped with modern catering equipments and appliances. This kitchen is used primarily to introduce the art of cookery to the students. Familiarity with the art and science of cooking is indeed an essential part of good hospitality operation.

Two huge labs take care of all Baking and Confectionary requirements of the syllabus. Students produce the most exquisite breads, cakes, chocolates, pastries & desserts here.

The front office lab with well decorated, reception area and lounge, is the first point of contact with guest. In this lab the students are trained for receiving information, billing, guest registration and guest relation. In addition, emphasis is on communication skills, social skills and handling of different type of situations.

The Housekeeping lab is equipped with the most modern equipments and guest supplies, chemicals, abrasives, linen etc. required for accommodation upkeep and other related jobs.

The institute has a well equipped computer labs at campus, where students are taught the use of latest information technologies in day-to-day management. The lab is on multi-user environment, LAN, working on Windows.

Students of Preston Institute of Hotel Management have access to large number of books, resource materials and magazines. The institute maintains a library of books, periodicals and journals, both Indian & International.
